

The 2GIG® Passive Infrared Motion Detector is a wall-mounted unit with wide-angle motion protection. It communicates with the control panel using the 345 MHz frequency. When set to High Sensitivity Mode, the

2GIG-PIR-345 has a maximum range of 30 ft deep x 50 ft wide. The pet-immune feature can be set to tolerate animals from 33 pounds to 55 pounds.

## **2GIG PASSIVE INFRARED MOTION DETECTOR** | SPECIFICATIONS & TECHNOLOGY

| Wireless Signal Range            | 350 ft. (106.7 m), open air, with Wireless<br>Control Panel               |
|----------------------------------|---|
| Code Outputs                     | Alarm, Alarm Restore, Tamper, Tamper<br>Restore, Supervisory, Low Battery |
| Transmitter Frequency            | 345.000 MHz (crystal controlled)  |
| Unique ID Codes                  | Over one (1) million different code combinations                          |
| Supervisory Interval             | 70 minutes  |
| Sensor Type                      | Quad element  |
| Pet Immunity Selectable          | 33 lb (15 kg) or 55 lb (25 kg; default)                                   |
| Sensitivity Jumper<br>Selectable | High or Low (default)   |
| Suggested Mounting<br>Height     | 7.5 ft. (2.3 m)   |
| Sensor Range                     | 30 ft. (9.1m) x 50 ft. (15.2 m)   |
|                                  |   |

| Maximum Horizontal<br>Sensing Angle            | 100°  |
|--|---|
| Dimensions (L x W x H)                         | 3.2 x 2.5 x 1.9 in. (8.12 x 6.35 x 4.82 cm.)        |
| Weight (including battery & bracket)           | 3.7 oz. (104.9 g.)                                  |
| Housing Material                               | ABS Plastic   |
| Color  | White   |
| Operating Temperature                          | 32°-120° F (0°-49° C)                               |
| Relative Humidity                              | 5-90% Non-Condensing                                |
| Battery (installed)                            | One (1) CR 123A 3V or equivalent<br>Lithium battery |
| Certification                                  | ETL, FCC, and IC                                    |
| 2GIG-PIR1-345 (non-encypted signal)            |   |
| 2GIG-PIR1E-345 (eSeries with encrypted signal) |   |
